Papers may be comprehensive reviews or reports of original investigations that make a definite contribution to existing knowledge. The content must not have been published or accepted for publication elsewhere, and papers must not be under consideration by another journal.

Paid advertisements are accepted. However, no endorsement or any statement of claims made in advertisements is assumed by this journal or by AACC International, Inc.

The current processing fees for CEREAL CHEMISTRY are \$300 (for the first five pages) and \$120 each page, or portion thereof, thereafter for members of AACC International, Inc. and \$400 (for the first five pages) and \$150 each page, or portion thereof, thereafter for nonmembers.
