TECHNICAL Textiles international

CONTENTS — MARCH/APRIL 2010

For Rule Niederstadt, Managing Director of Ecoatech Systems, small is not just beautiful, but it is also the key to flexible innovation. Adrian Wilson concludes his review of the fifth How To Enter Technical Textiles Markets symposium pages 37-43

Norafin says its Kommanda hydroentangled composite meets the exacting demands made by protective clothing. One of the exhibits discussed in our preview of IDEA 2010 pages 4-16

PERFORMANCE NONWOVENS

- 4 New faces and new niche markets promised for *IDEA 10* Miami

COMPANY PROFILES

- 19 Small and flexible is the recipe for success at Innovative Textiles
23 Managed innovation the key to success for the Gore-Tex brand
27 Saati and Kusumgar combine to exploit Indian, Asian markets

SUPERABSORBENTS

- 29 Medical and hygiene textiles benefit from use of superabsorbents

COMPOSITES

- 33 Issues affecting the greater use of composites in automobiles

HOW TO ENTER TECHNICAL TEXTILES MARKETS

- 37 How to exploit opportunities from growing end-use markets
41 How to gain commercial advantage from emerging technologies

News and regular features

- 44 *Physiology and comfort*
Optimize workwear's skin contact to win wearer's acceptance
2 *JEC preview*
JEC Awards reflect the importance of textiles in composites • Textile machinery
18 *Business news*
Lenzing boosts capacity in Asia • Fibre glass demand returns for PPG plant • Glatfelter to buy airlaid nonwovens manufacturer Concert • TenCate's UK armour acquisition
46 *Diary of events*
48 *Index to advertisers in this issue*

Cover pictures

Gore says that continual innovation is a key to its success so Linda Foster visited the company and some of its customers and end-users in Slovakia to learn more about how it ensures these developments meet an application's demands; and what Gore does to assure its customers' production quality is maintained pages 23-26

Industry leaders revealed how they are finding, developing and exploiting a range of emerging technologies at a symposium in Edinburgh, UK, reports Adrian Wilson pages 37-43
