### Super luxury

#### 16 Turnaround time

Janet Prescott outlines why a cautious optimism is beginning to re-emerge in the super luxury textiles sector and examines the continuing shift away from bling towards a more subtle sophistication.

#### 20 Return to glory

The second-generation management of Livio de Simone is building on the brand's strong heritage with a new showroom in Milan and plans to develop its position in Italy as well as further afield. Teresa Potenza reports.

### Rare and speciality fibres

#### 26 Genesis of a species

Francis Rainsford tells the remarkable story of the quest to find the origins of the domesticated South American camelids, from Darwinism to DNA.

#### 30 Commitment to quality

Lanificio dell'Orso is using an increasingly diverse range of luxury fibres, as well as broadening its product range. Debora Ferrero finds out why.

### Mohair focus

#### 32 Making it happen

In November, the inaugural International Mohair Summit will bring delegates together in the Eastern Cape of South Africa from right across the supply chain. Deon Saayman explains the key objectives of the event and describes what will be happening over the six days.

#### 36 Natural quality

Janet Prescott outlines the outstanding heritage for producing mohair fabrics at the renowned Yorkshire mill John Foster.

#### 38 Mohair focus

Round-up of other key developments in the mohair industry.

## Features

---

#### 12 The Knowledge

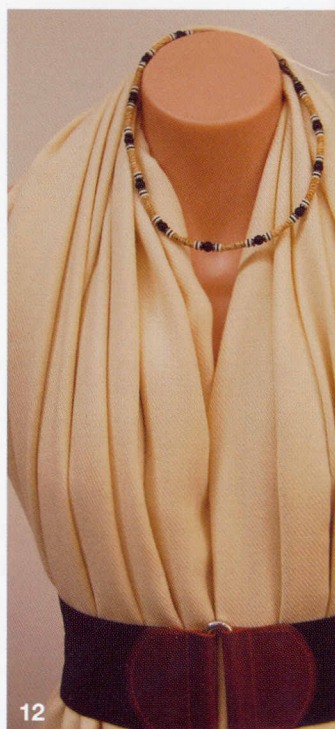

Can fibre from suri alpacas be used to create luxury fabric? Julienne Gelber tells the story of the creation of Surissimo, a high-performance, premium suri fibre.

#### 14 Global Consumer Watch

Alan Osborn takes a look at how the French luxury clothing market is fighting through the current challenges and explains why British fabrics are essential to many of the top French brands.

#### 22 The Twist Interview

Peter Lucas speaks to Janet Prescott about his plans for the UKFT, the thinking behind its structure, and the key to the success of the Baird Group.
