## Special features

---

### Underwear

- 24 **Natural born style**  
The Biellese underwear company Madiva is aiming high as sales of its elegant Artimaglia collection continue to grow. Debora Ferrero reports.
- 26 **Heritage revisited**  
John Smedley is celebrating its 225th anniversary with an underwear range that delves into the company's rich archives.

### Eco luxury

---

- 32 **Permanent desire**  
Janet Prescott looks at the latest developments in eco luxury textiles, and finds that demand is still strong for such products in spite of the global economic difficulties.
- 36 **Beyond the norm**  
Norton & Townsend's Beyond Carbon Neutral suit is set to redefine the eco luxury sector. Jonathan Dyson tells the story of the suit that has its carbon footprint offset by 300%.

### 40 Soft touch

Sales of Italian spinner Davifil's Green Soft yarn range are growing rapidly. Debora Ferrero explains why the yarn's combination of eco-friendly attributes and a luxuriously soft touch is proving such a success.

### 42 A natural choice

The Italian designer Marta Pietribiasi tells Teresa Potenza about the inspiration behind her organic fashion ranges, which are proving a particularly big hit in Japan.

## Features

---

### Luxury fabrics

- 16 **Lanificio Comero**
- 18 **Johnstons of Elgin**
- 20 **The Knowledge**  
With linen set to be the eco fibre of choice for spring/summer 2010, Marie-Emmanuelle Belzung explains why the fibre is so ecologically sound, and also why it so versatile.
- 22 **Global Consumer Watch**  
Our new Germany correspondent Regine Hövelmann on why the country's consumers are continuing to purchase luxury goods in spite of the economic difficulties, and how their desires are changing.
- 28 **The Twist Interview**  
Todd & Duncan managing director James McArdle speaks to Jonathan Dyson about how he inspired a return to confidence in the leading luxury cashmere yarn business, and why organic products are a key part of the company's future plans.
