Freezing point detectors by Funke - Gerber
thousandfold tried and tested - exact - robust - reliable

**FUNKE
GERBER**
We set the standards

CryoStar I

Automatic cryoscope

Individual sampling devices pursuant to the reference method IDF / ISO / DIN 5764

The freezing curve is shown on the graphic colour display during measuring. This enables ideal tracking and verifying of the plateau search required by the standard IDF/ISO/DIN 5764.
