The charm of Wall Street partnerships

China's brave independents

Whatever happened to Radical Dave?

The sun goes quiet

Château Lafake

The world economy **Sticky patch or meltdown?**

On the cover
World economy: sticky patch or meltdown? Leader, page 15. Greece and the euro crisis, pages 29-31. Although America's recovery is disappointingly slow, policymakers doubt the merits of another monetary or fiscal push, pages 77-78. How governments have used economic repression to shrink their debts: Economics focus, page 84

Making work pay
- 61 **The Balkans and Europe**
Backwards and forwards
- 62 **Charlemagne**
Europe and NATO

Whatever happened to Radical Dave? David Cameron's health-care reform has turned into a botched and cowardly compromise: leader, page 20. The coalition's retreat, page 65. What the NHS can learn from innovation in emerging markets: Schumpeter, page 76

Obama's war against leakers
 Despite early promises of transparency, this administration has pressed criminal charges against more leakers than all previous ones put together, page 38

China's independents The brave few who stand for election as independents in China, page 45

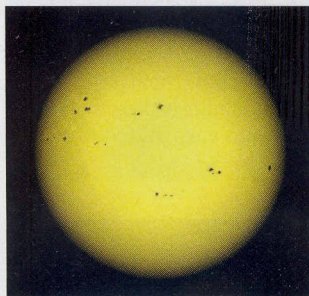

Partnerships on Wall Street

They have their advantages, but nostalgia for the era when they dominated finance is pointless, page 79

Château Lafake The booming business of selling fake wine, page 74

The sun goes quiet Several lines of evidence suggest that solar activity is declining, page 87

Britain

- 63 **Police commissioners**
Quis custodiet?
- 64 **Change in Chinatown**
Chop suey, phooey
- 64 **Bank reform and the economy**
Jumping the gun
- 65 **NHS reform**
Sweetened pill, no cure
- 66 **Bagehot**
The paradox of British sovereignty

International

- 67 **Internet security**
An anonymous foe
- 68 **Vaccines**
A shot in the arm
- 69 **Nuclear endgame**
The appeal of disarmament

Business

- 71 **Indian mobile telecoms**
Happy customers, scant profits
- 72 **Expert networks**
Linking expert mouths with eager ears
- 73 **African airlines**
Looking east
- 74 **Executive compensation**
Fat cats are back
- 74 **Fine-wine fraud**
Château Lafake
- 75 **Frugal health care in America**
Baby steps to curb costs
- 76 **Schumpeter**
Health-care innovation in emerging markets

Briefing

- 77 **American economic policy**
Running out of road

Finance and economics

- 79 **Wall Street partnerships**
Brown-blooded holdouts
- 80 **Buttonwood**
A corporate morality tale

Chasing the dragon
- 91 **Class in Britain**
Giving the poor a good kicking
- 92 **Landscape painting**
Forests, rocks, torrents

Obituary

- 93 **Paddy Leigh Fermor**
Travelling light
- 101 **Economic and financial indicators**
Statistics for 42 economies, plus closer looks at the Indian economy and worldwide hiring intentions

Next week

We publish a special report on China. In less than a decade it could be the world's largest economy. But its continued success is threatened by a resurgence of the state and resistance to further reform, says James Miles
