FEATURES

Environmental Research from the International Arena

by Prakash Doraiswamy

This issue of *EM* focuses on topics entirely outside of North America, including recycling efforts in a rural community in Japan; a study of ultrafine particles from cooking stoves in a rural village in India; an ongoing study in the northern part of India aimed at developing a detailed characterization of aerosols and their effects on climate change; and the current status of air quality in Chile.

Printed on Recycled Paper

EM, a publication of the Air & Waste Management Association (ISSN 1088-9981), is published monthly with editorial and executive offices at One Gateway Center, 3rd Floor, 420 Fort Duquesne Blvd., Pittsburgh, PA 15222-1435. ©2011 Air & Waste Management Association. All rights reserved. Materials may not be reproduced, redistributed, or translated in any form without prior written permission of the Editor. Periodicals postage paid at Pittsburgh and at an additional mailing office. Postmaster: Send address changes to EM, Air & Waste Management Association, One Gateway Center, 3rd Floor, 420 Fort Duquesne Blvd., Pittsburgh, PA 15222-1435. GST registration number: 135238921. Subscription rates are \$280/year for nonprofit libraries and nonprofit institutions and \$425/year for all other institutions. Additional postage charges may apply. Please contact A&WMA Member Services for current rates (1-800-270-3444). Send change of address with recent address label (6 weeks advance notice) and claims for missing issues to the Membership Department. Claims for missing issues can be honored only up to three months for domestic addresses, six months for foreign addresses. Duplicate copies will not be sent to replace ones undelivered through failure of the member/subscriber to notify A&WMA of change of address. A&WMA assumes no responsibility for statements and opinions advanced by contributors to this publication. Views expressed in editorials are those of the author and do not necessarily represent an official position of the Association.
