SPECIAL ISSUE

5th IDF Symposium on Cheese Ripening Bern – Switzerland – 9-13 March 2008

- Preface
U. BÜTIKOFER, H.-P. BACHMANN 387
- Highlight Paper** Cheese in nutrition and health
B. WALTHER, A. SCHMID, R. SIEBER, K. WEHRMÜLLER..... 389
- Subclinical udder infection with *Streptococcus dysgalactiae* impairs milk coagulation properties: The emerging role of proteose peptones
U. MERIN, G. FLEMINGER, J. KOMANOVSKY, N. SILANIKOVE,
S. BERNSTEIN, G. LEITNER..... 407
- Recent developments in cheese cultures with protective and probiotic functionalities
F. GRATTEPANACHE, S. MIESCHER-SCHWENNINGER, L. MEILE,
C. LACROIX..... 421
- Molecular identification and typing of lactic acid bacteria associated with the production of two artisanal raw milk cheeses
K. VAN HOORDE, P. VANDAMME, G. HUYS..... 445
- Naturally occurring genetic markers in lactobacilli and their use to verify the authenticity of Swiss Emmental PDO cheese
M.G. CASEY, D. ISOLINI, R. AMREIN, D. WECHSLER, H. BERTHOUD 457
- Hydrophilic di- and tripeptides are not a precondition for savoury flavour in mature Cheddar cheese
L.T. ANDERSEN, H. SCHLICHTERLE-CERNY, Y. ARDÖ 467
- Development of a portable spectrofluorometer for measuring the quality of cheese
R. KAROUI, É. DUFOUR..... 477

Contents continued on cover page 3

Contents (continued)

- Characteristics of major traditional regional cheese varieties of East-Mediterranean countries: a review
E. ALICHANIDIS, A. POLYCHRONIADOU 495
- Parmigiano Reggiano cheese: evolution of cultivable and total lactic microflora and peptidase activities during manufacture and ripening
J. DE DEA LINDNER, V. BERNINI, A. DE LORENTIIS, A. PECORARI,
E. NEVIANI, M. GATTI 511
- Effect of pasteurization and season on the sensorial and rheological traits of Mexican Chihuahua cheese
D.L. VAN HEKKEN, M.A. DRAKE, M.H. TUNICK, V.M. GUERRERO,
F.J. MOLINA-CORRAL, A.A. GARDEA 525
- Characterization of different blue cheeses using a custom-design multispectral imager
A. KULMYRZAEV, D. BERTRAND, É. DUFOUR..... 537
- Pre-treatment of cheese milk: principles and developments
A.L. KELLY, T. HUPPERTZ, J.J. SHEEHAN 549
- Some perspectives on the use of cheese as a food ingredient
J.A. LUCEY 573
- Grated Grana Padano cheese: new hints on how to control quality and recognize imitations
S. CATTANEO, J.A. HOGENBOOM, F. MASOTTI, V. ROSI,
L. PELLEGRINO, P. RESMINI 595
